2. Students were asked to clean out their lockers this week. By the end of school on today nothing should be left in anyone's locker.
3. All returning students should have received a summer reading list by now. If you do not have a summer reading list, please see your English teacher.
4. The Tabard is for sale! Salesian's literary magazine features work by John Crandall, Colleen Garland, Robert Pires, Vicky Estera and many more! It is only \$2. The Tabard is available in room 112 from Ms. Trott.

Student Activities:

5. Your textbooks can be turned in on Book Buy Back Day - today – for money or for future book credit. It is a super easy way to recycle and return used books.
6. The Art Department is asking student to donate their ART TALK textbooks. This will be a \$75.00 tax write-off for your families and it will be a very good **deed**. Please give your book to Miss Osenga or Ms. Shushan.
