Summer school has ended, the football team is out on the field, "Back to School" ads have popped up on TV, on the radio, and online, and some families are taking one last opportunity to get away. Summer is coming to a close. August is upon us! Soon we will welcome new faculty and staff, freshmen and transfer students will set foot on campus, and then the new school year begins. The school building and our beautiful grounds are being prepared to once again welcome everyone. The faculty and staff will be taking the week before school starts to meet and prepare their classrooms, lessons and projects, and various activities for the new year. We hope that the summer break has been a good time for rest, recreation, relaxation and renewal. With the upcoming school year, we are looking forward to new possibilities, new and renewed friendships, new challenges, and we are filled with hope for new beginnings. We ask for the intercession of St. John Bosco and Mary, our Help, that we have a blessed new year together. Welcome to the 2019-2020 school year!!

In the spirit of Don Bosco,
Mr. Adrian Mison Fulay
Salesian Coordinator of Youth Ministry

Alumni Highlight

Carlyn Wisherop

Class of 2017 Valedictorian, Carlyn Wisherop shared a few hours of her busy summer break with us to chat and catch us up on her exciting life. Carlyn already boasts an amazing resume, but what is most impressive about her is her empathetic and charismatic personality. The future doctor shied away from bragging about her accomplishments and lit up to talk about the multiple clubs and groups she is a part of. Let's all get behind Carlyn as she works toward medical school and trains for a marathon.
