“In every young person, a point of goodness is accessible and it is the primary duty of the educator to discover that sensitive cord of the heart so as to draw out the best in young persons.”

-St. John Bosco

Don Bosco said, “Education is a matter of the heart.” From the heart comes celebration, friendship, joy and holiness. One-hundred and twenty-seven years ago, on January 31, Don Bosco died after a life of dedication to God and young people. I think that Don Bosco would be very proud of the environment we created of HOME, SCHOOL, PLAYGROUND, and CHURCH, modeled on his own Oratory of St. Francis de Sales. Students, faculty and staff were overjoyed, and impressed when they viewed the Oscar-winning acting in a film created by our very own Film Club. Bishop Barber granted Salesian College Preparatory four extras days of vacation, that we call our Bishop’s Holidays, which are well desired by all.

Feast Day of our Founder, Saint John Bosco

Salesian College Preparatory and Salesians around the world celebrated the feast day of our Founder, Saint John Bosco, or as we affectionately call him, “Don Bosco” this past Thursday, January 31. This day honors a life dedicated to God and youth. Through his teachings, we celebrate the pillars of the Oratory model of Home, Church, School, and Playground. The students celebrated in their own special way each day by dressing up, dressing down and playing around. Check out how we celebrated this special day!

Sophomore Service Trip to St. Anthony's

Students from the Sophomore class had the opportunity to complete a day of service at St. Anthony's Foundation in San Francisco. St. Anthony's is a nonprofit organization in the Tenderloin District that provides meals, clothing, health care, addiction rehabilitation, technology access, and medical services to those in need. The students performed different tasks throughout the organization, including food service and preparation, meal delivery in the dining room, sorting clothing donations and also enjoyed the opportunity to eat and hang out with the guests in the dining room. Through this experience, students gained a new perspective by serving others. Ultimately, we recognize the faith we profess must be lived through our service to others.
