Coaches Selection Process

Selection of the head coach is primarily the responsibility of the Athletic Director together with the Director of the school, and the Chair of the PE department (or other designate). All persons interested in applying for a coaching position should apply to the Athletic Director.

Conduct

All players, coaches, parents, spectators, and staff are required and expected to: Act in accordance with the stated philosophy of the program, which emphasizes the importance of learning and growth of all people, commitment to good moral, ethical and social values, deep respect for the human dignity and uniqueness of every individual, and the perseverance for upholding what is right and just. All people affiliated with Salesian College Preparatory athletics are expected to promote and exemplify the Salesian spirit and its values, and uphold the policies of the school. This requires mutual respect in all relationships, promptness in fulfilling obligations, concern for the environment, and many other factors that the participant's sense of appropriateness will indicate to them.

The Athletic Director reserves the right to determine the appropriateness of an action if any doubt arises. Items such as, but not limited to, questionable books and pictures, knives or weapons of any kind, matches, cigarettes, radios, toys, cell phones, laser lights, or anything that will detract from a learning situation or in any way endanger anyone are not allowed at Salesian College Preparatory practices or events. Furthermore, no social media accounts of any coach, assistant coach etc. can be affiliated with Salesian College Prep. Absolutely no photos of students of any kind (including game shots, practice photos etc.) should be posted on any social media site at any time for any reason by any coach or assistant coach of any team associated with Salesian College Prep. Coaches are expected to follow the Diocesan Code of Conduct involving Interactions with Minors in the Diocese of Oakland (see Code of Conduct, after page 10).

Additionally, Salesian coaches are to refrain from:

- using personal social media accounts to communicate with Salesian students (including Instagram, Snap-chat, Facebook, etc.)
- all personal social media accounts should be on "private" at all times
- messaging (DM) or friending Salesian students at any time using personal social media accounts
- posting any photos (individual or group) of Salesian students using personal social media accounts
- text messaging students individually (group texts are OK to communicate cancellation of a practice, or change in time for an event as long as another adult is part of the group text, such as an assistant coach or co-moderator)
- using personal websites or blogs to communicate with Salesian students other than Google Classroom, Aeries or Salesian eMail.

Coaches' Evaluation Process

Coaches will be evaluated in two ways. First, parents and students at the end of each season (Fall, Winter, Spring), can complete an online survey regarding the coaches' program. This online survey will focus mainly on the coaches' support of the Salesian mission and values of the school in the specific sports program. These evaluations will be collated and copies will be given to the Athletic Director by the Principal. The second evaluation will be the responsibility of the Athletic Director to meet with each coach and review their performance in the specific sport focusing on skills, practice drills, etc. The Athletic Director will share the program surveys with the coach as well as the performance reviews.

Team Equipment

Uniforms are checked out to individual team members who have qualified under eligibility requirements and who have been identified on a team by a coach.

Depending on the sport, each athlete will be given, on loan from the athletic department, equipment/uniform for the duration of that sport. At the time the equipment/uniform is issued, the athlete is instructed to return said equipment/uniform at the end of the season, or be required to pay the current cost of replacing the item.

A financial hold will be placed on the account of any student-athlete that does not return athletic equipment or uniforms or until lost/stolen items are paid for.

Attendance

If a student was not in school, or missed the majority of the school day, he/she may not practice or play in an athletic event. The coach should make clear to their team their policy on missed practices during the season. Exceptions to this rule can be made by the Principal or in his/her absence, any administrator on the Exec Council. Exceptions may include, but are not limited to, funerals, doctors/dentist's appointments, college visitations, and field trips.

Eligibility

Eligibility requirements originate from three sources:

1. CIF/NCS By-Laws
2. TCAL By-Laws
3. Salesian Student-Parent Guide

All students are expected to maintain a total GPA of 2.00 in all classes attempted during each grading period. If the student fails to maintain a 2.00 GPA, he/she will be placed on probation. A student will only be placed on probation a maximum of three times during his/her years at Salesian. Students will not be placed on probation in consecutive grading periods so students are ineligible if they fall below a 2.00 after their probation period. Students must achieve a 2.00 or higher after being ineligible to utilize their next probation period. Academically Ineligible means the student is no longer able to participate in athletics and school activities until his/her grades are raised to a 2.00 in any of the subsequent grading periods. There are four grading periods during the academic school year: First Quarter, Fall Semester, Third Quarter, and Spring

Semester. Ineligibility and probation lasts for one grading period. There is no exception for athletic participation because of NCS/CIF eligibility rules.

Van Use

Only eight people can ride in a van (1 driver and 7 passengers). All drivers must be cleared by Human Resources to drive a vehicle. Keys to the vans should be picked up from the Athletic Director. Return the van (clean, locked, and parked in the Salesian Parking lot in the designated area), pushing the keys through the mail slot at the foyer entrance or place the keys in the van key mailbox in the faculty room. The coach is directly responsible for actions in the van. Each van must be equipped with a first aid kit.

Keys and Key Pad Codes

Prior to your season, the Athletic Director will assist you in checking out needed keys and receiving a key pad code from the Facilities Coordinator's office. The keys/key pad code checked out to you are meant only to meet your official needs. Misuse of these keys/key pad code can jeopardize the security and liability of the school. Therefore, do not loan or make keys, or make your key pad code accessible to others (especially students).

Security

It is the responsibility of each coach to closely monitor the security of school facilities. Therefore, it is incumbent upon each coach: 1) to ensure all lockable facilities are secured after use; 2) to make sure all equipment is returned to its proper storage facility; and 3) to make sure the storage facility is locked.

Any coach conducting practice on weekends and holidays must make sure all facilities are locked and secure before he/she leaves. If you are practicing on the weekends be sure to contact the facilities coordinator in writing so that the alarm will be turned off. The Facilities Coordinator may be contacted at (510) 234-4433 extension 1104 or hmoe@salesian.com.

If holding practice in the gym, make sure the door is closed and locked during practice to keep non-roster players out.

The coaches are responsible for picking up all athletic gear, towels, water bottles, candy wrappers, trash and materials left by a practicing team.

Quitting or Dismissal from a Team

Dismissal from a team is the last action a coach should take in attempting to discipline an athlete. Suspension, additional work, counseling, etc. are alternative ways of dealing with discipline problems.

Any athlete who quits or is dismissed from a team after the final official roster is published, must appeal to the Principal in consultation with the Athletic Director and coach to petition to play on another sport team during that calendar year. Each appeal will be handled on a case by case basis. If an athlete is cut from one of the teams before the league season starts, he/she may go out for another sport immediately.

Accident Report Forms

1. Athletic injuries should be reported to the Athletic Director and athletic trainer as soon as possible.
2. An accident report form, obtained in the Main Office, should be filled out as soon as possible.

Process Regarding Complaints

An individual or team complaint may include any perceived or enacted unfair or prejudicial treatment of a player by a coach. The process regarding the complaint should be handled in the following manner:

1. Set up a time to discuss the issue with the coach. If the situation is not remedied then,
2. Set up a time to discuss the issue with the Athletic Director (with the exception of Football and Track & Field when the complaint goes directly to the Principal). If the situation is still not remedied, then
3. Set up a time to discuss the issue with the Principal.

Health/Physical Requirements

Salesian sports teams require different degrees of physical activity, ranging from long distance running to short sprints. Participants must understand the requirements for each sport and make sure that they are in appropriate physical condition to safely play the sport.

Unless there is a medical condition that prohibits a participant from doing a certain drill or activity, all participants will be expected to follow the drills and physical activity requirements requested by the coach(es). Please know that these drills are necessary to improve performance on the court/field, and are part of the learning and growth on all sports teams. If there is a medical condition present that prevents participation in these activities, you must notify the Athletic Director, in writing, as to the nature and extent of the condition. Upon reviewing the information, the Athletic Director reserves the right to deny such participants from participating if it seems it is in the best interest of the child and/or other participants.

Athletic Trainer

Salesian College Preparatory has partnered and contracted with UCSF Benioff Oakland Children's Hospital to obtain the services of a certified athletic trainer (ATC). UCSF Benioff Oakland Children's Hospital ensures the delivery of high quality pediatric care for all children through primary and specialty networks, a strong education and teaching program, a diverse workforce, nationally recognized research programs and child advocacy efforts. Salesian College Preparatory's athletic trainer is available to all student-athletes, and coaches will refer any athlete sustaining injury in an athletic contest or practice to our certified athletic trainer. The Salesian athletic trainer will:

- Apply protective or injury-preventive devices such as tape, bandages, and braces
- Recognize and evaluate injuries
- Provide first aid or emergency care
- Develop and carry out rehabilitation programs for injured athletes in consultation with medical doctors and/or doctors of osteopathy

- Plan and implement comprehensive programs to prevent injury and illness among athletes
- Perform administrative tasks such as keeping records and writing reports on injuries and treatment programs

The Athletic trainer reports directly to individual coaches and then meets with the Athletic Director on a regular basis. Children's Hospital evaluates the athletic trainer.

Official Roster

All Salesian sports teams will have an official roster, which will list each participant with their grade level and other relevant information. This roster must be sent in to the league prior to the deadline. All participants must be on this official roster in order to be eligible for play.

Playing Time

Playing time for all participants is left up to the discretion of each individual coach (within the guidelines of the Athletic Director). However, there are some general guidelines that coaches follow in order to assist them in determining playing time for all participants. These are:

1. Regular attendance at practices and games
2. Good attitude
3. Respecting players, parents and coaches
4. Obeying the rules set by the coaching staff
5. Working hard at practices and games
6. Being on time for practices and games
7. Being responsible to the team by notifying the coach in advance of missing a practice or game.

It is important to know that players who do not listen to the coach, follow directions, hustle, and/or display negative attitudes (including any disrespect of adults and peers) may not receive as much playing time as others who adhere to these guidelines.

The coach, with the final approval from the Athletic Director (if needed) will determine playing time for each team member.

Please encourage your children to adhere to the above guidelines and consequently their playing time may reflect this effort.

Principles of Pursuing Victory with Honor

1. The essential elements of character building and ethics in CIF sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."

2. It's the duty of School Boards, superintendents, school administrators, parents and school sports leadership -including coaches, athletic administrators, program directors and game officials - to promote sportsmanship and foster good character by teaching, enforcing, advocating and modeling these "six pillars of character."
3. To promote sportsmanship and foster the development of good character, school sports programs must be conducted in a manner that enhances the academic, emotional, social, physical and ethical development of student-athletes and teaches them positive life skills that will help them become personally successful and socially responsible.
4. Participation in school sports programs is a privilege, not a right. To earn that privilege, student-athletes must abide by the rules and they must conduct themselves, on and off the field, as positive role models who exemplify good character.
5. School Boards, superintendents, school administrators, parents and school sports leadership shall establish standards for participation by adopting and enforcing codes of conduct for coaches, athletes, parents and spectators.
6. All participants in high school sports must consistently demonstrate and demand scrupulous integrity and observe and enforce the spirit as well as the letter of the rules.
7. The importance of character, ethics and sportsmanship should be emphasized in all communications directed to student-athletes and their parents.
8. School Boards, superintendents, school administrators, parents and school sports leadership must ensure that the first priority of their student-athletes is a serious commitment to getting an education and developing the academic skills and character to succeed.
9. School Boards, superintendents, principals, school administrators and everyone involved at any level of governance in the CIF must maintain ultimate responsibility for the quality and integrity of CIF programs. Such individuals must assure that education and character development responsibilities are not compromised to achieve sports performance goals and that the academic, social, emotional, physical and ethical well-being of student-athletes is always placed above desires and pressured to win.
10. All employees of member schools must be directly involved and committed to the academic success of student-athletes and the character-building goals of the school.
11. Everyone involved in competition including parents, spectators, associated study body leaders, and all auxiliary groups have a duty to honor the traditions of the sport and to treat other participants with respect. Coaches have a special responsibility to model respectful behavior and the duty to demand that their student-athletes refrain from disrespectful conduct including verbal abuse of opponents and officials, profane or belligerent trash-talking, taunting and inappropriate celebrations. Furthermore, all coaches as well as assistant coaches will refrain from drinking any alcohol or ingesting any drugs of any kind (exception, prescribed medication by a licensed doctor) during any on or off-site athletic tournaments that Salesian

students are participating in. This prohibition of the use of alcohol or drugs is in effect for the duration of a tournament whether students are present or not, or whether students are being directly supervised by a coach or assistant coach.

12. School Boards, superintendents, and school administrators of CIF member schools must ensure that coaches, whether paid or voluntary, are competent to coach. Training or experience may determine minimal competence. These competencies include basic knowledge of: 1) The character building aspects of sports, including techniques and methods of teaching and reinforcing the core values comprising sportsmanship and good character. 2) The physical capabilities and limitations of the age group coached as well as the first aid. 3) Coaching principles and the rules and strategies of the sport.

13. Because of the powerful potential of sports as a vehicle for positive personal growth, a broad spectrum of school sports experiences should be made available to all of our diverse communities.

14. To safeguard the health of athletes and the integrity of the sport, school sports program must actively prohibit the use of alcohol, tobacco, drugs and performance enhancing substances, as well as a demand compliance with all laws and regulations, including those related to gambling and the use of drugs.

15. Schools that offer athletic programs must safeguard the integrity of their programs. Commercial relationships should be continually monitored to ensure against inappropriate exploitation of the school's name or reputation. There should be no undue influence of commercial interests. In addition, sports programs must be prudent, avoiding undue dependency on particular companies or sponsors.

16. The profession of coaching is a profession of teaching. In addition to teaching the mental and physical dimensions of their sport, coaches, through words and example, must also strive to build the character of their athletes by teaching them to be trustworthy, respectful, responsible, fair, caring and good citizens.

Finances / Purchases

- Purchases are to be made by the Head Coach.
- Must complete a purchase order and have it approved by the Athletic Director prior to engaging in any purchases. Purchase orders may be obtained from Trish Bauer, Accounts Payable, at pbauer@salesian.com or (510) 234-4433 ext. 1014.
- Any questions regarding your budget, please coordinate through the Athletic Director.
- All invoices/reimbursement of expenses must be submitted within 30 days from the end of your season. No exceptions.

CODE OF CONDUCT INVOLVING INTERACTIONS WITH MINORS IN THE DIOCESE OF OAKLAND

(Revised June, 2013)

PREAMBLE

As leaders in the Church founded by Christ, priests, deacons, and lay ministers within our parishes and institutions must always seek to uphold Christian values and conduct. In addition to following the Gospel and its mandates, all are expected to act properly at all times, especially when in contact with young people. This Code of Conduct establishes general guidelines and boundaries when ministering to minors. Many items mentioned in this document are applicable to ministry with adults, but this Code addresses explicitly proper contact with persons under 18 years of age. Further guidance and advice can be sought from the Chancellor of the Diocese of Oakland or the Coordinator of Safe Environment, as needed.

This Code is applicable to all persons who work or volunteer in any of the parishes and institutions in the Diocese of Oakland. This includes, but is not limited to: priests, religious (men and women), deacons, pastoral coordinators, school/program administrators, teachers, catechists, youth ministers, support staff, custodial staff, coaches, school, parish and diocesan volunteers, seminarians serving internships, and lay theology students. This Code is not an attempt to anticipate every situation that might arise, but to provide a set of standards and appropriate behavior to guide all those in pastoral ministry to children and young people.

This Code of Conduct is to help create a safe, appropriate, and Christian environment for minors and their relationships with adults involved in Church ministry.

RESPONSIBILITY FOR COMPLIANCE

All who disregard this Code of Conduct will be subject to remedial action by the Diocese of Oakland. Corrective action may take various forms – including verbal or written warning, termination of employment, or removal from ministry – depending on the specific nature and circumstance of the offense. Those who witness or who receive reports of suspected abuse (except under the seal of Confession) are required both legally and morally to report to the appropriate civil (e.g., Child Protective Services, Local Police or Sheriff) and pastoral authorities. If you are an adult who is responsible for children, you are a mandated reporter obligated by civil law to report any suspicious abuse or neglect of a minor to Child Protective Services immediately or as soon as practically possible.

EXPECTED BEHAVIORS WITH REGARD TO MINISTRY TO MINORS

MINORS ARE NOT INDEPENDENT INDIVIDUALS: Any and all involvement with minors is to be approached from the premise that minors should always be viewed – whether in a social or ministerial

situation – as restricted individuals, that is, they are not independent. Minors are subject to specific civil laws in the State of California, which prohibits certain activities. They are not adults and are not permitted to make unfettered decisions.

TRAINING AND SCREENING: All those in contact with young people in a ministerial role must complete Safe Environment Training and be screened according to the requirements established by the chancellor and the Diocesan Safe Environment Office.

ADULTS ARE NEVER TO BE ALONE WITH CHILDREN: Adults should avoid situations that place them in a position to be alone with a minor in the rectory, parish residence, school, or in a closed room other than a confessional.

MEETINGS AND/OR PASTORAL COUNSELING: In meeting and/or pastoral counseling situations involving a minor, the presence or proximity of another adult is encouraged. However, in those situations where the presence of another adult is not usual or practical (e.g., piano lessons, disciplinary meeting with an administrator, etc.) another adult should be informed that the meeting would be taking place. The meeting place must be accessible and visible with the door left open where the meeting is taking place unless there is a clear window built into the door.

SACRAMENT OF PENANCE/RECONCILIATION: The Sacrament of Penance/Reconciliation is to be celebrated in a place so designated for that purpose (e.g., a reconciliation chapel, a confessional or other designated area with visibility). Only extreme inconvenience or impossibility would be an acceptable reason to deviate from this standard.

RECTORY RESTRICTIONS: An unaccompanied minor is allowed only in the professional area of the rectory or parish residence, never in the living quarters.

Minors age 16 and over are permitted to work in the professional area of the rectory, when there are two adults over 21 years of age present.

THE SACRISTY DOOR: The sacristy door is always to be unlocked whenever minors are present within the sacristy.

SUPERVISION AT SPORTS EVENTS AND GAMES: At least two adults, one of whom is to be the same gender as the participants, are to be present when a group of minors engages in organized games or sports activities. Sports leagues sponsored by parishes or Catholic schools from 8th grade and under must be under the supervision of the CYO Office.

BATHROOMS AND DRESSING FACILITIES WITH CHILDREN PRESENT: Adults must avoid being the only adult in a bathroom, shower room, locker room or other dressing areas whenever minors are using such facilities.

TRANSPORTATION IN PRIVATE VEHICLES: Adults are prohibited from taking youth home or to another location, unless another adult is present in the vehicle.

UNACCEPTABLE TOPICS AND LANGUAGE: Comments of a sexual nature are not to be made to any minor except in response to a specific classroom or otherwise legitimate questions from a minor. Topics or vocabulary such as profanity, cursing and vulgar humor must not be used in the presence of a minor/minors.

YOUTH TRIPS AWAY FROM PARISH FACILITIES: Youth group trips of any kind must have a minimum of two adult chaperones, at least one of whom should be of the same gender as the young

people. Depending on the activity and the age of the participants, there must be sufficient adult chaperones present to adequately supervise the group at all times. Groups must have a minimum of one adult chaperone for every ten to twelve minors.

While on youth trips the adults as well as the minors may not use alcohol or controlled substances and anyone under the influence of these substances may not participate in the event.

One adult alone shall never engage in an overnight trip with a minor or minors. While on youth group trips, adults are never to stay alone overnight in the same motel/hotel room with a minor or minors.

PROHIBITED SUBSTANCES: It is absolutely prohibited that adults serve or supply alcohol, cigarettes, inappropriate reading material, or controlled and illegal substances to minors. Alcoholic beverages will not be served or consumed at parish or school social activities intended primarily for minors. Minors may not serve alcohol at events. Event leaders should take all necessary action to ensure that no one working with youth is either in possession of illegal drugs or under the influence of alcohol or illegal drugs.

AGE-APPROPRIATE MEDIA: Audiovisuals, music lyrics, and print resources used in programs must be screened prior to use to ensure their appropriateness for the participants. It is never appropriate to use an “R” rated movie or movies that have been rated with an even stronger designation.

BOUNDARIES OF PHYSICAL CONTACT: Careful boundaries concerning physical contact with a minor (beyond a handshake) must be observed at all times and should only occur under public circumstances. Prudent discretion and respect must be shown before touching another person in any way.

SOCIAL MEDIA: The Diocese of Oakland prohibits any irresponsible use of technology both at work sites and at home. All users will be held responsible for their published words. If they negatively affect the Diocese or any parish/school site in ways that are contrary to our mission, users will face disciplinary action up to and including termination. Employees and volunteers will be held accountable for use policies that are in place at their local parish or school site.

GUIDELINES AS APPLIES TO RELATIVES OF THE MINOR: Some adaptation in applying these guidelines when the minor is a relative ought to be the norm, but appearances in public nevertheless need to be maintained.

EXPECTED BEHAVIORS IN PASTORAL COUNSELING OF MINORS

SETTING: Pastoral counseling of a minor must only take place in the professional area of a rectory, never in the living quarters.

Offices or classrooms used for pastoral counseling of a minor must have a window in the door, or the door is to be left open during the counseling session.

SUPERVISION: Another adult should be in close proximity during any counseling session.

PARENTAL NOTIFICATION: Unless the subject matter precludes their presence or knowledge, parents or guardians of minors must be made aware of the counseling session. If counseling is expected to extend beyond one session, evaluation of the situation should be made with the parents or guardians.

INAPPROPRIATE ATTRACTION: The adult is responsible to recognize any personal and/or physical attraction to or from a minor. In such a situation, the minor must be immediately referred to another

qualified adult or licensed professional. If the attraction is acted upon, the parents/guardians must be notified and appropriate action taken.

ENFORCEMENT / REPORTING

Violations of the Code will be dealt with by the appropriate employing/appointing organization (e.g., the parish, the religious order, the diocesan bishop) in accordance with Civil Law and this Diocesan policy. Penalties may take various forms ranging from counseling to removal from ministry.

Violations of this Code must be reported immediately to the appropriate parish, diocesan or civil authority.

Allegations of sexual misconduct by priests, church employees, or volunteers must be reported to the local authority (e/g. Police or Sheriff Department, County Child Protective Services). In the cases involving priests or religious, the Office of the Chancellor of the diocese (510-267-8334) will be notified. In cases involving other employees or volunteers, the Office of Human Resources (510-267-8359) will be notified.

The Diocese of Oakland is committed to addressing allegations of sexual misconduct by priests, church employees and all in ministry, observing the prescriptions of civil and canon law. The diocese has made a commitment to assist victims of sexual misconduct and to cooperate fully with public authorities investigating such allegations.

IMPLEMENTATION

Additional policies and procedures may be adopted and enforced by the various ministries, parishes, institutions and departments within the diocese. Such policies must be congruent with the spirit and policies contained within this Code, and must be approved in advance by the Chancellor of the diocese or designee.
