## Transportation Program 2023-2024

Salesian offers students van shuttle transportation service to and from school throughout the Bay Area on a daily basis. We have a fleet of 8-passenger vans that are maintained by Salesian and operated by parent volunteer drivers. We are proud to offer our students and their families this service. Your student can look forward to being picked up in one of our Salesian vans every morning and afternoon.

If you are interested in signing your student up for this program, we ask that you complete the [registration form](#), on our website under **Quicklinks** under Forms, prior to **July 15, 2023**. There is limited availability and space is on a first come, first served basis. Once we finalize the numbers, we will provide you with the schedule of pick up and drop off times to best accommodate our families. Below is the current schedule for **2023-2024**.

The cost per semester will be **\$750** due in August and December. If you choose to pay the entire year, the discounted cost is **\$1,300** due in August. If space is available, the one-way cost per semester will be **\$600** due in August and December.
